

PRINCIPLE Radio Advert

COVID-19 has affected the lives of everybody within the UK and the rest of the world. Finding safe and effective treatments has been the drive of researchers at the University of Oxford and right now, you have an opportunity to help. PRINCIPLE is a national priority trial to find treatments for COVID-19. We are looking for volunteers aged 18 and over. To be eligible to take part, you must have had a positive COVID-19 test result within the last 14 days, and be unwell with COVID-19 symptoms, and have had them for less than 14 days. No face to face visits are needed. Please help us fight COVID-19 by visiting our website www.principletrial.org.

COVID-19 has affected the lives of everybody. Finding safe and effective treatments has been the drive of researchers at the University of Oxford and right now, you have an opportunity to help. We are looking for volunteers aged 18 and **over** with a positive COVID-19 test result within the last 14 days and COVID-19 symptoms to take part in a national priority trial. Please help us fight COVID-19 by visiting www.principletrial.org
