

## **PRINCIPLE Trial – Social Media Post – version 1**

[**Insert practice name**] is taking part in the national PRINCIPLE clinical trial, which aims to find low-risk treatments for people with COVID-19 that can be taken at home.

To be eligible to join the trial you will need to be aged 18 and over, with a positive COVID-19 test result within the past 14 days, and experiencing COVID-19 symptoms that started within the past 14 days.

If you are registered at [**Insert practice name**] and would like more information, please contact us on [**Insert practice telephone number**]. You can also join the trial online, even if you are not currently registered with our practice. For full details, visit

<http://www.principletrial.org>

## **PRINCIPLE Trial – Social Media Post – version 2**

PRINCIPLE is an Urgent Public Health clinical trial investigating treatments for people aged over 18, with a positive COVID-19 test result and symptoms. More details at [www.principletrial.org](http://www.principletrial.org) or click **HERE** to register as a patient from [**PRACTICE NAME**].
