Participants!

In a huge week for the PRINCIPLE trial we have received support and promotion from all across a variety of communities across the UK. A highlight was when the trial featured in the Neasdon Temple Sermon.

This was an enormous honour for the trial and focused on the treatment aspects of the PRINCIPLE trial that help it appeal to even those who may not interested in COVID-19 vaccine trials.

Keep us informed of any community outreach work or promotions in your community!

As incidence is increasing, please continue to support recruitment in any way you can!
