Signposting Participants to The PRINCIPLE Trial

PRINCIPLE has recruited 5550 Participants!

As the COVID-19 infection rate is rising considerably. The team would like to direct you to the Trial website where you should be able to find all of the materials you need in order to direct positive COVID-19 patients to the trial.

<https://www.principletrial.org/>

Potential participants for the trial can enrol themselves directly from the website.

If you are having trouble accessing the materials you need, please do get in touch with the team, **we are happy to help!**

Participating GP Practices

GP Eligibility Requests

Please continue to complete GP eligibility requests as quickly as possible.

A delay in completing the eligibility check could result in the participant no longer being eligible for the trial.

As many people are on annual leave during these months, please do let us know if you are the only person to complete eligibility checks for your practice if you are going to be away so that we can ask our team to take the necessary steps to carry out the eligibility check.

Amendment Approved!

*** Correction***

The latest amendment for the PRINCIPLE Trial has received MHRA approval.

Keep an eye on your inbox for further information.

Unfortunately there was a mistake in the last newsletter that we would like to clear up. Apologies for any confusion caused.

The correct instruction for the Ivermectin Dose Regimen is:

Tablets to be take as one dose each day for 3 days at 300 micrograms (µg)/kg of body weight.
