Hi Emma

The Azithromycin which was sent to your clinical trials units was for 1000 packs (SKU DEO098L - product AZITHROMYCIN 250MG CAPSULE PK6) with a batch number 713020.

This was decommissioned by Movianto prior to leaving the warehouse for delivery to you in Oxford. This is because Oxford University is exempt under Article 23 of the Regulation.

Many thanks
