Terms and Conditions

Only services utilized will be billed.

The estimated totals are based on the assumptions listed in this Quote. If changes occur, pricing may increase or decrease. The Service Summary is intended for estimating purposes only and may or may not reflect actual total costs.

If the pricing contained in this Quote is based on a currency other than the functional currency of Fisher Clinical Services U.K. Limited and the quoted currency fluctuates, Fisher Clinical Services U.K. Limited may adjust the pricing based on the current foreign exchange ("FX") rate at the time of generating the invoices. If the invoice is not paid by the due date and additional FX rate changes occur, Fisher Clinical Services U.K. Limited will issue an additional invoice to recover FX losses during the late payment period.

Validity:

This Quote remains open for acceptance for 90 days after the date of the Quote.

Import and Duties:

Our prices exclude import duties and VAT. Import duties and VAT will be charged at prevailing rates on our invoices.

Total Transportation Management:

FCS will select the couriers for all shipments and lanes, such selection being based on FCS data relating courier performance across all shipments executed across the FCS logistics network and key criteria mutually agreed on in writing by Client and FCS at time of study set up. All transportation costs incurred by the selected couriers for Client shipments under this Quote will be billed to FCS.

All shipments will be tracked and traced via the FCS Global Help Desk from origination to final destination in accordance with FCS' standard operating procedures (the "FCS SOPs"). FCS will assist with the resolution of shipment issues arising during transit in accordance with the FCS SOPs, and will escalate such issues to the Client in accordance with the FCS' SOPs and/or other process mutually agreed on in writing by Client and FCS at time of study set up.

Surcharges are not included in the Estimated Freight Charges.

Master Services Agreement:

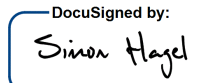

Fisher Clinical Services U.K. Limited ("Fisher") hereby offers to provide the services set forth in this Quote (the "Services"), such offer expressly conditioned on the following: (i) a written master services agreement that governs the provision of services by Fisher is executed by both an authorized representative of Client and an authorized representative of Fisher ("Master Services Agreement"); and (ii) the Master Services Agreement is current and in effect as of the date of the performance of the Services by Fisher. By accepting this Quote, Client agrees to accept and be legally bound by the terms and conditions stated in this Quote and the terms and conditions stated in the Master Services Agreement with regard to the Services. Client may accept this Quote/offer by signing this Quote or providing Fisher with a Client approved purchase order citing the quotation number stated on this Quote. Upon acceptance by Client, this Quote shall serve as a Statement of Work (Individual Project Agreement or Work Order, as applicable) under the Master Services Agreement with regard to the performance of Services. This Quote together with the Master Services Agreement is the complete and sole statement of the agreement between Fisher and Client with respect to the Services; and any other terms and conditions, whether oral or written (including those terms and conditions stated in a document

issued by Client, including any Client approved purchase order), are hereby expressly rejected by Fisher, and deemed null and void.

No waiver, consent, modification, amendment or change of the terms and conditions contained in this Quote or the Master Services Agreement shall be binding unless subsequently agreed to in writing signed by authorized representatives of both Fisher and Client. Fisher's failure to object to terms contained in any subsequent communication from Client will not be a waiver or modification of the terms and conditions set forth in this Quote or in the Master Services Agreement.

We hope our Quote meets your expectations. We would be delighted to support your project with our services and are looking forward to your feedback. Please do not hesitate to contact us at your best convenience for further information regarding our Quote.

With kind regards,
Fisher Clinical Services U.K. Limited
